STRAWBERRY FESTIVAL PREPARATIONS — Mrs. Steve Wright is leading the apron poke bonnet parade by Mrs. Ruth Ames while Mrs. and Salway's interest is in the Poppins doll also made by Mrs. Ames. Mrs. Tom Caton regards strawberries which of course are the mainstay of the Strawberry Festival. The bonnet and the dolls are two of the many items, some which are pictured, that the ladies of the Congregational Church have been busy working on to have ready at the Festival on Tuesday, July 18.

STRAWBERRY FESTIVAL AT CONGREGATIONAL CHURCH TUESDAY, JULY 18

Plan to skip dessert on the evening of Tuesday, July 18! That's the date of the Strawberry Festival to be held in the West Parish Congregational Church dining room from 8 to 8 p. m., sponsored by the Adult Fellowship. A variety of strawberry delights—shortcakes, pies, sundae, fresh whole berries as well as punch and coffee, will be available. During serving hours several attractive booths will be open in the Chapel.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

We expect laying of pipes for sewage will soon start on the new lines until the plant is in operation. The necessary permits will be placed from the line toward the property to be served but no connections can be made.

There have been several comments that near accidents have occurred as a result of motorists not seeing the yield sign at the intersection where Broad St. joins the new road and streets at the end of Main St. Possibly if motorists were a bit more cautious this would encourage others to do the same.

As persons have nearly completed their work so we can start the commitment book.

Elwyn Dickey

In addition to my own Avon I am taking over Mrs. Mary's and I hope to give her customers the same service she has provided for so many.

MOLLYCOKETT DAY IT'S ALMOST HERE!

Mollycokett Day, Saturday, July 22, is almost here. Many groups are busy planning so that the day will be a success!

Girls—remember the Doll Contest. There are prizes in five categories. Bring your favorite doll.

Boys—are your soap box cars almost finished? The prizes are waiting.

A burlap bag race for everyone! Boys, girls and adults! (Mom and Dad, start practicing.)

The Bethel Health Council is busy planning for the baked bean supper at the Congregational Church. Supper will be served from 5:30 to 6:30. Tickets will be available only at the door. Why go home to eat that night? Take it easy and plan to attend the supper.

Have you made your donation for the stereo tape player and the slalom water ski yet? Some one has to receive these prizes. Many businesses in town have tickets or buy them from a Lions Club member.

Who will be Miss Mollycokett 1972? Who will win the prizes for the best floats in the parade? Just 10 days left to find out. Join us Saturday, July 22. See you there!

FIRST SESSION OF "INDIVIDUAL & COMMUNITY" HELD LAST THURSDAY

The first session of the workshop on "The Individual and His Community" was held Thursday, July 6, at Telstar Regional High School.

The participants were skillfully led by Ronald Lippitt and Eva Schindler-Rahman, assisted by Peggy Lippitt as observer. In a series of progressive procedures, the individuals moved from group to group until each person arrived at the issue which he felt represented the greatest need within the community of most interest to him. Listing helps and hindrances toward meeting these needs, each of the five final groups selected the one hindrance which might realistically be overcome within the next six months.

At the end of the session, each participant filled out an evaluation sheet, and was given the assignment to invite possible resource individuals to the second session which is to be held on Thursday evening, July 13, at 7 o'clock at Telstar.

Spec. 4 Douglas Farrar has been at home for the past two weeks recovering from the 101st Airborne in Lewiston, Portland and Bangor. He has returned to Fort Campbell, Ky.

CONGRESSIONAL CANDIDATE TO WALK LENGTH OF SECOND DISTRICT

Bill Cohen, Republican candidate for the U. S. House of Representatives, announced Wednesday that he will be walking the entire Second District of Maine from the New Hampshire border in Gilead to the Canadian border at Houlton.

The walk will begin on Wednesday, July 19, two miles west of Gilead, Maine. Mr. Cohen will walk the first day from Gilead to Bethel. He will spend the night at the home of a Bethel resident.

Mr. Cohen stated that the purpose of the trek is to "allow me to see the District, meet the people, find out what is on their minds, and to show how hard I will work in Washington for the people of Maine."

The route he will follow is approximately 400 miles and will take about one month to complete.

SENIOR CITIZENS MEET AT GARLAND CHAPEL

A happy group of Senior Citizens met at Garland Chapel on Tuesday for mid-summer observance. President Joan Coolidge presided. Flag salute and Star Spangled Banner were first. Carroll Valentine was religious leader.

Reports of outings, a visit to Bryant Pond Seniors, and attendance of some members to recent craft exhibits followed.

With pride it was announced that two expert craftsmen from this group will be demonstrating fine needlework, rug making, and chair caning at the recently opened craft shop in South Paris.

An indoor picnic luncheon was at noon. Doris Lord provided a lovely cake and these July birthdays were honored: Bertha Thurston, Helena Bean, Florence Bean, Edith Howe, Jorgen Olson and Maud Danforth.

C. B. MONITORS MEET TUESDAY EVENING

The Bethel C. B. Monitors, Inc., met on July 11 with 13 members present. The meeting was held at the Twin Oaks Camping Area.

Plans were made for entering a float in the Mollycokett Day parade and having a booth on the Common.

The "highlight" of the evening caused the meeting to come to an abrupt end. The sound of a 22 bullet whistling over your head isn't very pleasant. The next time a meeting is held outside, it is hoped this form of entertainment can be dispensed with.

S. A. D. 44 DIRECTORS APPROVE STAFF MEMBERS AT MONDAY MEETING

The S. A. D. 44 board of directors held a regular meeting at the Andover Elementary School on Monday evening of this week.

Roger Mills Sr. of Andover expressed concern of several of the town's citizens about plans to remove the bleachers in the Andover gymnasium so as to provide a permanent space for library books and other teaching aids. The supplies are now located along the walls of the gymnasium. Concerned parties were evidently fearful of a gradual erosion of the gymnasium's availability to function as a recreational area for the students and the Andover townspeople. The need for a physical education program at the elementary level was also voiced during the discussion. The board voted to leave the bleachers as they presently are.

Millon Mills of Woodstock, chairman of the buildings and grounds committee, reported that Goodwin's Inc. of Norway had been awarded the contract to provide general liability insurance for the district. Mr. Mills also indicated that at a later date the board would be requested to take action regarding the purchase of indemnity insurance.

Board chairman Eddie Snyder of Andover reviewed changes in the agreement between the S. A. D. 44 Education Association and the board in effect for 1971-72 and the agreement for 1972-73 that will be in effect after Sept. 1.

Upon nomination by Supt. Basil Kinney, the board approved Mrs. Florio Robin of Mexico to teach at the intermediate level at the Andover Elementary School for the 1972-73 year. Mrs. Robin is a 1972 graduate of the U. of M. at Farmington with a bachelor of science degree.

Also approved was the nomination of Raymond Parken of South Berwick as a guidance counselor at Telstar. He has had six years experience in guidance at Somersworth, N. H. high school. Previously he had taught social studies for two years. He holds a master of education degree from Temple University, Philadelphia, Pa.

Dr. H. William Yeo was approved as assistant principal at Telstar for the 1972-73 school year. Dr. Yeo will be serving for his second year in that position.

Mrs. Kathryn L. Dunham of Locke Mills was approved to be teacher of girls' physical education at Telstar for the ensuing school year.

E. P. A. AWARDS GRANT OF \$172,000 TO BETHEL FOR WASTE TREATMENT FACILITIES

The U. S. Environmental Protection Agency has made available a grant of \$172,000 to the town of Bethel for construction of waste treatment facilities.

John A. S. McGlennon, Regional Administrator of the E. P. A., said the funds would go toward the cost of constructing interceptor sewers, three pumping stations with associated force mains and a secondary water pollution control plant.

E. P. A. previously awarded Bethel \$132,000 for the project. This means the town has received a total of \$304,000 from E. P. A. for the project. Bethel has also received a grant of \$40,000 and a loan of \$225,000 from the Farmers Home Administration.

Estimated overall cost to complete the program is \$613,000.

S. A. D. 44 MUSIC BOOSTERS HELD MEETING TUESDAY

The S. A. D. 44 Music Boosters met at the home of Mrs. Arnold Brown Monday evening. Plans for a supper to be held Aug. 2 on the Common were formulated.

Solerting will be done, but anyone who is not solicited and wishes to, may make a donation. Donations should be mailed or given to Mrs. Arnold Brown, Bethel. Proceeds from this event will be used in the fall for school band instruments and band uniforms.

Watch this paper for further information about this event.

With coaching assignments in girls' field hockey and skunk, Miss Dunham is a 1969 graduate of Gould Academy and received her bachelor of science degree from the U. of M. - Presque Isle this past spring.

Members of the board not present Monday evening were: Margaret Crabtree, Bethel; E. Jeannine Fleet and Paul Wright, Newry.

The next regular meeting of the S. A. D. 44 board is scheduled to be held at Telstar Regional High School on Monday, Aug. 21, at 7:30 p. m.

Dr. and Mrs. H. William Yeo were in Durham, N. H. Monday.

SUNDAY RIVER

Mrs. R. M. Fleet, Corres. — Dr. Loy Harrell and Tim LaVallee went to Boston Wednesday to meet Billy Harrell, who is to visit her father and family for a few weeks. Mr. and Mrs. Tim LaVallee and children left for short visits to his folks at Windthrop and her folks at the seashore. Also to celebrate her father's birthday.

The David Fleet family spent the week at Bear Mountain Village. Bryce Yates had the legs on his big tractor sharpened but it seems a bit early for winter.

Kitty Fleet was back two evenings from camp to play baseball. Erick Yates spent a couple of days with Alan Fleet at Bear Mountain Camp.

Mr. and Mrs. Floyd Verrill returned to Concord, Mass., Thursday.

The Robert Russells are away from their trailer for a couple of days. Mr. and Mrs. Bill Riley and chil-

dren of Middleboro, Mass., and her father, Miles Brookes of Gorham, called on the R. M. Fleet's July 4.

Well the parent birds are most too busy to sing with their broods calling for food and more food. The young robins are getting out of their nests. The tree and barn swallows soon will be out. Then the two nests of wrens will be next.

The Bryce Yates family hauled in hay for his father Sunday P. M.

Raymond Hathaway and friends left Sunday morning after visiting his mother and brother over the holiday.

Tom Yates from Lovell and the Clayton Blakes from the Balsams were at their parents, Wednesday.

Dr. John Young was at the Estes Yates Wednesday night.

The new road is coming along fine—but people get lost trying to find the turn that was. We don't have a turn now—we have a "hump". So when you want to come out "Sun-

day River—look for the "hump." The heavy downpour of Monday, July 3—made too many gullies in the new road. It will be lovely when it's all done.

Don't forget the "bang up good supper" at Bear River Grange July 22 at 5:30. The following week Bear River Grange plans another "rummage sale". Watch for the dates!

Hope our new mail man finds the changed over mail boxes all O. K. We do miss Roger though.

Verna Swan from Bryant Pond visited the Yates on Thursday.

Mr. and Mrs. Michael Waisanen, Debbie, Tommy, Cindy and Joe visited with her grandparents, Sunday afternoon.

Sunday callers at the Estes Yates were Mr. and Mrs. Merl Whitman and Mona from Palestine, Tex. They looked pretty good, not having seen them for a dozen years or more.

The Ivan Gareys are building a new garage.

WEST GREENWOOD

Mrs. P. W. Croteau, Corres. — Mrs. Maude Harrington has returned from a trip west with her brother, Roy Cummings, of Bethel, and her sister, Mrs. Laura Bartlett of Kennebunk. They visited her son, Dr. Rodney Harrington and family, at West Lafayette, Ind., and then went to Lawton, Okla., to visit her sister's son, Zenas Bartlett and family. They returned by the way of Texas and the southern states, coming up the Blue Ridge Parkway.

Mr. and Mrs. Charles Zarba and children, Jimmie, Charles, Lisa and Julie, of Walpole, Mass., and his mother, Mrs. Mary Graziano of Waretown, Mass., were recent callers at Paul Croteau's.

Mr. and Mrs. J. E. A. Gilbert and Shirley Merrill were in Westbrook, Portland and Sebago Saturday. Their granddaughter, Kim Collett, came back with them for a visit. Mrs. Ed Robertson of Kingfield

SOUTH ALBANY

Mrs. Roy Wardwell, Corres. — Mr. and Mrs. Frederick Scribner are spending a two weeks vacation at their camp. Mr. and Mrs. Arthur Wardwell were in Bryant Pond, Sunday. Mrs. Libbie Scribner and Hazel Wardwell were in Dixfield, Monday. The supper at the Grange Hall Sat-

urday was a big success, a big crowd. Come again on Saturday night, July 22. We will be looking for you all.

Fred Scribner has traded for a very pretty new truck.

Hugh Stearns, Harlan Bumpus, and Arthur Wardwell have been making some repairs on the shed floor in the church vestry. A much needed job.

A heavy thunder shower passed over this locality Monday evening.
